

PRICE LIST OF SERVICES

OSA – Copyright Protection Society for Music Works, z.s. (hereinafter referred to as the “OSA”) is in charge of the collective administration of copyrights. Its duty is to act with due diligence for common benefit of the authors whose rights it administers. OSA is entitled, based on the proceeds from exercising the rights or on the investment income from these proceeds, to deduct or include the reimbursement of efficiently incurred and documented costs in connection with the performance of collective administration. The reimbursement specified above is an overhead deduction, the rates of which are included in this price list. Nevertheless, some of the services provided by OSA include additional costs and/or the efficiency of activities related to service provision is uncertain. For these reasons, the provision of the services is conditioned by covering the efficiently incurred costs defined in lump sums by the following price list.

OVERHEAD DEDUCTIONS

Type of use		Overhead (%)
Public traffic	Concerts over CZK 30 000 ¹	15 % (max. CZK 40 000 per concert)
	Other concerts and live music performances ¹	15 %
	Reproduced music (incl. jukeboxes) ²	20 %
	Reproduced music (addressable) ³ including B2B services	15 %
	Cinemas	15 %
Broadcast and online media	Radio broadcasting	15 %
	Television broadcasting	15 %
	Transmission of radio and television broadcasts	10 %
	Internet - stream + download + mobile networks	10 %

	Author's compensations	8 %
	Rent	max. 8 %
	Lending	7 %
Agency activity	Synchronization	8 %
	Use of works in theatre performances	15 %
	Other uses licensed under agency activities	15 %
Author's royalties from abroad		6 %

For the reimbursement of the costs reasonably incurred in connection with the performance of compulsory and extended collective management, a charge of twice the overhead deduction set for the use in question, up to a maximum of 60 %, shall be applied to holders of rights collectively managed by law.

In the event of overcharging beyond the legal obligations, the overhead for the use in question shall be increased by 25 %.

¹ If licensing within Rate B* pursuant to the OSA tariff the overhead rate amounts to 26 %

² If licensing within Rate B* pursuant to the OSA tariff the overhead rate amounts to 31 %

³ If licensing within Rate B* pursuant to the OSA tariff the overhead rate amounts to 26 %

* Rate B is higher than Rate A and is used to cover the extra costs incurred by OSA field staff or related to debt collection. Rate B is also applied in cases where the promoter of a musical production fails to report it in a timely manner as required by law or fails to provide a list of the songs performed in the context of such a production. Rate A applies where the operator has submitted a request for a draft licence agreement to be sent without the assistance of an OSA employee present at the premises/venue of the music production or without following up on an inspection of the operator's premises/venue of the music production and at the time the draft agreement is issued, the OSA has no overdue receivable from the operator. Rate B shall apply in all other cases. If rate B is not specified, it shall be calculated as 1.15 times rate A.

These amounts are increased by VAT at the statutory rate.
